PRICE INCREASE FOR 2021

Dear Customers

2020 has been a challenging year for everyone and here at John Wilde we would like to thank you all for your continued support.

We have been extremely fortunate that throughout the pandemic the team at John Wilde have continued to rise to the challenge ensuring we continue to deliver the first-class service you expect.

We have already been informed from some suppliers of cost increases to transport, raw materials and our other essential services that form part of our production process. Unfortunately, with this in mind we have no alternative but to apply a 3% increase across our product range from January 1st 2021. Due to constant price rises any further increase to factored items will be applied accordingly.

Over the Christmas period the last day for despatching goods will be Monday 21st December and any orders received after this date will be subject to the price increase. We are closed for our Christmas Holiday from Wednesday 23rd December and returning in the new year on Monday 4th January 2021.

We enclose a copy of our 2021 holiday list. Please note that during our holiday weeks we will only have limited staff on the premises running a reduced service and there will be no despatches.

May we take this opportunity to thank you again for your business, we hope we have been of service and we look forward to continuing our relationship in the new year.

Yours faithfully

R.S. Wilde
Managing Director
